the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office for National Statistics 2000). The number of people aged 65 and over is projected to increase by 2.5 million by 2020 (Office for National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has identified the need to develop a new approach to the care of the ageing population. This approach should be based on the principles of 'active ageing', which is defined as 'the process of optimising the opportunities for people to lead healthy, active and productive lives' (Department of Health 1999, p. 1). The Department of Health (1999) has identified a number of key areas for action in order to achieve this goal. These include: (1) promoting healthy living; (2) promoting social participation; (3) promoting economic participation; (4) promoting participation in society; and (5) promoting participation in culture and leisure.

The Department of Health (1999) has also identified a number of key areas for action in order to achieve the goal of 'active ageing'. These include: (1) promoting healthy living; (2) promoting social participation; (3) promoting economic participation; (4) promoting participation in society; and (5) promoting participation in culture and leisure. DEDICATION

Among our teachers there is one who has done much toward making Suffolk High School the excellent school it is today. Miss Tapelle Pruden, who so capably and efficiently teaches classes in Social Science, is this person. Because of her cultured manner, her understanding, sympathetic and cheerful disposition, and her ever readiness to lend a helping hand, Miss Pruden has won for herself a high place with the faculty and student body alike.

It is with pride and pleasure that we the Staff dedicate this the '49 PEANUT to our beloved teacher and kind friend, Miss Tapelle Pruden.

Outstanding

Parker Cross has proven himself to be an outstanding Senior by his co-operation in all activities in which he is engaged. He has held offices in the Hi-Y and the Wranglers' Club and because of his leadership ability was chosen to represent the State Student Co-operative Association convention. He also was on the affirmative debate team which reached the state finals.

A winsome personality coupled with a fine sense of co-operation and a high scholastic record typifies Polly Brothers, co-editor of this year's annual. Polly has given full service in her journalistic efforts and deserves a lot of credit for her work. She represented her class at Girls' State last summer and has served faithfully in the Tri-Hi-Y.

Chairman of the Senate Ways and Means Committee is just one of the honors bestowed on Don Howell. He was elected vice-president of his class in both his senior and junior years. As a junior he was named co-editor of the *Peanut Picker* and also was on the affirmative debate team. Don highlighted his high school career by starring in football.

As co-editor of this year's *PEANUT*, Ann Hines has worked faithfully and given much of her time toward its success. She has done outstanding service in the Tri-Hi-Y and the Wranglers' Club and has served very well in the A. P. T. P. Her willingness to work has gained her the distinction of an outstanding Senior.

Seniors

President of the Student Senate, the honor, probably the most coveted in school, this year belonged to Bobby Spivey. Bobby not only was very prominent in extracurricular activities, performing such jobs as sports editor of both the annual and newspaper, but had an outstanding scholastic average. He rounded out his activities by playing on the football, basketball, and tennis teams.

Peggy Pinner, co-editor of the *Peanut Picker*, has served in this capacity for the past two years and by her faithful and hard work has shown herself to be an outstanding senior. She was a member of last year's affirmative debate team which reached the state finals and has served well in the Tri-Hi-Y and Wranglers' Club. She has also given much time to A. P. T. P. work.

Not many girls in the Senior Class have served their school as well and faithfully as Betty Lou Penn. She has distinguished herself in the field of journalism, working on the *Peanut Picker* four years, serving as news editor in her junior year and then as co-editor-in-chief. She has worked well in the Glee Club, Dramatic Club, and Tri-Hi-Y.

Richard Sykes, as president of the Senior Class, has attained one of the highest honors in Suffolk High School. However, this is only one of his outstanding achievements. He has taken a great interest in dramatics, playing the lead in several plays, and is president of the Dramatic Club. In sports he distinguished himself by earning a berth on the track and football teams.

The Junior High Club, although just organized this year, has proved to be worth-while and useful to its members. Consisting only of pupils in junior high school, this club acquaints its members with parliamentary procedure and a knowledge of high school organizations.

Some of the projects on the agenda for the year were a dance, which proved most successful, the presidents of various clubs as speakers, telling them just what each club had to offer, and talks by the ninth grade teachers on how to adjust themselves to high school.

This new club is one of the busiest organizations in our school and one that has accomplished a great deal.

The Peanut

The 1949 edition of THE PEANUT, as you can see, offers a new and different type of annual from those to which the students of Suffolk High School are accustomed.

In the spring of 1948, this year's staff decided to present a yearbook which was "off the beaten path." Many hours have been spent in the preparation of the '49 PEANUT. Staff meetings were held every Tuesday during third period, and much work was done after school hours.

The staff is proud of the '49 version of THE PEANUT and hopes that it will provide much enjoyment and many pleasant memories for the students of Suffolk High School.

The Peanut Picker

The publication of the school paper "*The Peanut Picker*" comes to the students eighteen times during the school year. The front page contains news of all the happenings in school pertaining to clubs and other activities that have occurred in the previous weeks. The second page holds an interest for all—the feature column. Also we find here editorials. On page three there are news and write-ups of sports events, while on page four is the Jefferson and Junior High News. These points make *The Peanut Picker* an outstanding publication.

Every organization has some sort of governing body. In our kind of democracy, this governing body abides by the wishes of the people. Such is our Student Senate. It is made of a representative from each home room and three representatives-at-large chosen from the Junior and Senior classes by the student body.

One of the biggest issues of the past year discussed by the members was the changing of the election date for the president and vice-president of the Senate from fall to spring.

This year the Ways and Means Committee has been most active. The reason for this is found in the enthusiasm of its members. As honorary members of the Student Senate, the Ways and Means Committee plans almost everything that is done for the school although they have no vote in the Senate.

Along with the Senate, the Ways and Means Committee held a dance with "Hello Basketball, Good-bye Football" as its theme. This proved a big success and everyone enjoyed himself.

A more willing committee that has the interest of the school at heart is found in few schools, but our Ways and Means Committee is just tops.

This club takes special pride in the projects that it has completed during the year, some of which were to raise money to buy records for the Music Department, take care of the girls' rest room on the second floor, and guard the devotionals for assemblies.

At the annual Hi-Y Convention in Newport News the Junior Tri-Hi-Y was well represented by three delegates.

The members make an effort to vary the programs of the meetings held each Wednesday.

The Senior Tri-Hi-Y is one of the most active clubs in our school. Through its projects it is very beneficial to the school and community.

During the year the club took the responsibility of caring for the third floor girls' restroom. Many of the members helped with the plans of the District II teachers' meeting held here in the fall.

At Christmas the girls collected toys and clothes from the students and presented them to the Salvation Army for distribution among the needy.

The club improved the new guidance room by buying a beautiful painting for it.

The aims of this club as of all the Hi-Y and Tri-Hi-Y Clubs, are to create, maintain, and extend throughout the school and community high standards of Christian character by means of clean speech, clean sportsmanship, clean scholarship, and clean living. The club is composed of boys from the freshman and sophomore classes.

Once a month they have on the program a minister to speak to the club to help carry out this motto.

They accompany the other Hi-Y and Tri-Hi-Y Clubs each month to visit the churches in the city.

The newest club in Suffolk High is the Hobby Club. While actually an offshoot of the old camera club, this club is divided into three phases: photography, stamp collecting, and model airplane building. At the meetings discussions are held on each phase, and ideas are brought forth for the improvement of a hobby.

Some of the members have planned to enter the National High School Photography Contest.

The chief aim of the Wranglers' Club is to promote public speaking and debating. Various outside speakers are invited to address the club in order that the members may obtain further information on these subjects.

This club also sponsors Suffolk High students who attend the Virginia High School Literary League as debaters and public speakers.

One of the best-known projects of the Wranglers' Club is the annual George Washington Ball. This dance is highlighted by the crowning of the queen, king, prince, and princess who are elected by the student body.

The Dramatic Club provides an outlet for the stage talent of Suffolk High School. Not only is training in acting given, but much emphasis is also placed on such important jobs as lighting, scenery, and directing.

The club presented a play in assembly and in March, entered a one-act play, "The Bathroom Door," in the District Group II contest. This same play was presented at an A. P. T. P. meeting.

Miss Reed West is the sponsor of the club and directs all plays.

During 1948-49 the Suffolk Chapter of the Future Homemakers of America has placed emphasis on further improvement of home and family living and on individual improvement of its members. The chapter has attempted to increase every member's understanding and appreciation of F. H. A., its purpose, creed, song, color, and emblem.

The chapter has planned and served several suppers, the most outstanding of which was for the Suffolk High School faculty.

Third Period Choral Club

This club is composed of talented singers, most of whom have had experience in the Glee Club but were unable to fit the newly formed choral class into their schedule this year.

They made their debut at the Christmas Assembly harmonizing on several Christmas carols.

They made several appearances singing in town such songs as "Vilia" from the "Merry Widow," the spiritual "Ezekiel Saw The Wheel," and "The Merry Heart." They also helped the choral class in the Spring Concert.

One of the busiest organizations in Suffolk High School is the Junior Red Cross. This organization, working with the local chapter of the Red Cross, has carried out many useful projects. One of these was putting on a program for the servicemen at the Portsmouth Naval Hospital. Through the work of the Junior Red Cross, stretchers were provided at the football games. Also, Hallo-we'en, Christmas, and Easter favors were made and sent to various hospitals. As always Red Cross boxes were filled and sent to the needy children of Europe.

RAIDERS CAPTURE CHAMPIONSHIP TITLE

Suffolk High's gridders have done it again. For the fourth straight year Coach Dick White has turned out the district football champions ably assisted by Coach Art Jones. Although every opponent pointed for the Raider contest, the Suffolk lads came through the season without a single loss in district Group II competition.

Employing their Carolina style single wing attack, the Suffolk pigskinners combined a tricky passing attack with a devastating running offensive paced by speedy shifty backs. The Raiders' regular season record included seven wins, two ties, and one loss. After a rather slow start the Suffolk squad shifted into a two-team system of play, and from then on they were dynamite to their opponents. District enemies were able to garner only six points against the alert defense of the Suffolk team.

Outstanding players were numerous for the Raiders, but teamwork was the deciding factor in a season of sportsmanship and victories.

HARRISONBURG

In a thrilling contest the underdog Raiders played to a 6-6 tie with the Harrisonburg Blue Streaks. Don Howell, returning a kick-off 80 yards, and Bill Ellis with his vicious tackles were the Suffolk stars.

NORVIEW

A blocked kick by Skinner gave the Raiders a 12-12 tie with the Norview Pilots. The Group I foe, although heavily favored, was outclassed by the lighter Suffolk team in everything but the score.

KEMPSVILLE

After a scoreless first-half against the stubborn Kempsville Blue Devils, the Raiders exploded in the season's opener at Peanut Park. Outstanding defensive play smeared the Blue Devils' best back, Young.

SOUTH NORFOLK

Getting back into their own conference, the Peanut City lads rolled over the South Norfolk Tigers 20-0 in dimly lighted Cascade Park. Diamond caught a Raider pass for the first aerial score of the season.

FREDERICKSBURG

The Suffolk team lost their only game to the Fredricksburg Yellow Jackets in a heartbreaker 20-19. After leading 13-0 in the first quarter the Raiders blew up with Sykes' 59-yard touchdown jaunt being the one bright spot.

CHURCHLAND

Back home the Red Raiders romped to another victory. This time the scrappy Churchland Truckers were 14-0 victims. Ellis scored both touchdowns while Raymond Little completed eight out of ten passes.

CRADOCK

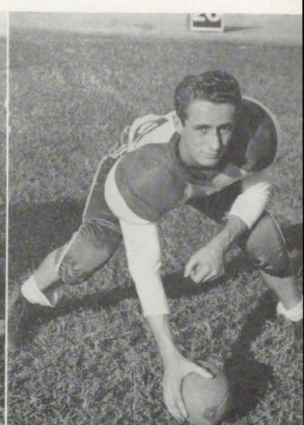

Using the two-team system the Suffolk team uncovered a power-packed squad as the Raiders really lambasted Group I Cradock 35-0. While administering one of the Admiral's worst defeats, the Raiders completely dominated play with Sykes scoring two touchdowns on end sweeps. Melvin Poulson scored on a 44-yard dash.

OCEANA

For the first time in district conference competition the Raiders had a touchdown scored against them, but what the Suffolk team did during the rest of the game more than made up for it as they won in a walk 47-6. Matthews chalked up two touchdowns in the rout.

WARWICK

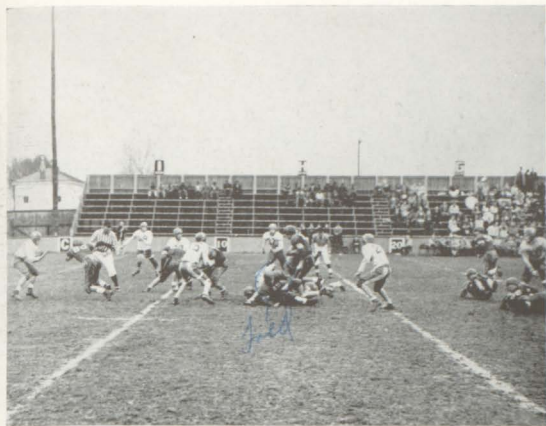

The bruising Warwick Farmers really got a surprise when the Raiders journeyed to the peninsula to pulverize the Farmers 46-0. The two-team system paid off for the third week as the Suffolk team showed astounding strength against their Group I opponent.

Band

A welcome addition to this year's football season was the appearance at half-time of the games of the Suffolk High School Band, now in its second year of organization. The band, resplendent in its red and grey uniforms, put on several very colorful and interesting shows. These shows each had hours of hard work behind them as Mr. Molinari spent much time planning stunts and drilling the band in them.

After football season, regular Wednesday night practices were held in preparation for the district contest in Norfolk, and the Spring Concert, which was again presented in co-operation with the Choral Club.

Cheerleaders

Fifteen rahs for the 1948-49 cheerleading squad—the best and biggest in the past several years. There were added nine new members, who along with four letter men, Nell Bradshaw, Margaret Taylor, Betty Hancock, and Billie Crumpler, increased the number to thirteen. The squad was led by Nell Bradshaw, serving her third year as a cheerleader.

As always the cheerleaders showed co-operation and a friendly attitude to rival cheering squads. Their hard work was displayed by their fine performance at games.

A new addition to the cheering squad this year was the junior cheerleaders. This group was chosen from the freshman class and led the cheering at the Junior Varsity games.

Base

The Suffolk High School baseball team coached by Dick White made one of the best records in Suffolk history as they won nine games while losing only one in conference competition. With a team not dominated by any individual stars the Raiders came up with numerous fine victories among them a 12-11 upset of Group I Maury.

The one blotch on their splendid record occurred when Matthew-Whaley defeated the Raider diamond boys 3-2 in a thrilling contest. The loss forced the Whitemen into sharing the district baseball championship with the Governors; however, this marked the first championship for Suffolk in many years.

Captain of the trophy winning nine was Bill Thompson, stellar second sacker. Pitching mainstay was Joe Wiggins who won seven games while losing one to the State Group I Champions, Wilson. Thus the Raiders, usually noted for their inferior baseball teams, broke precedent by coming up with a winning combination.

Girls' Varsity Basketball

The Raiderettes have brought the district championship back to the Suffolk fold for the first time since 1945. Coach Emily Pittman assembled a fine team of three seasoned forwards and three reserve guards, who developed into an outstanding combination which won eleven games while losing only one.

Starting the season off with a victory over Group I Cradock, the Suffolk girls won six straight games before tasting defeat at the hands of the taller Oceana "femmes." This was the only loss suffered by the feminine cagers as they romped through the rest of their schedule without defeat.

Highspot of the season was a smashing 36-21 rout of previously undefeated Smithfield. Smithfield defeated the Oceana lassies the following week which threw the district championship into a three-way tie between Suffolk, Smithfield, and Oceana. Thus the Raiderettes were forced to share the title as the three teams each finished with a conference record of eight wins and one loss.

Betty Anne Holland, lanky sophomore forward, led the Raiderettes for the second year in scoring as she pushed 183 points through the hoops. She had an average of fifteen points per game. Nell Bradshaw, senior forward, scored 116 points for an average of eleven points per game, while Co-captain Lillie Mae Dillard was a fine ball handler who contributed 64 points to the attack. Co-captain "Sis" Burton, Frances Myrick, and Barbara Hassen were the first-string guards, who were prime factors in the Raiderettes' outstanding season.

Joyce Gatling managed this year's team, capably assisted by Nancy Speight.

Boys' Varsity Basketball

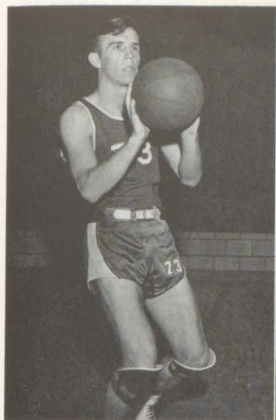

Coach "Art" Jones produced a brilliant basketball team which copped the district Group II championship for the second year in a row. The Red Raiders started the season with a fine 38-29 triumph over Cradock and ended their regular schedule with a spectacular 36-25 trouncing of Group I Maury High School. In its own class the Suffolk five were unbeatable as they won thirteen while losing none. The overall record of the Raiders was eighteen wins and four losses, which was ample proof that this year's basketball team was one of the finest in Suffolk history.

BARNES, Guard

The District tournament was a Suffolk show as the Raiders overwhelmed Kempsville and Smithfield on successive nights to grab Group II laurels. The Raiders' success was due mainly to their teamwork and ball-handling ability. Spivey and Westnedge, two senior forwards, were the scoring leaders with 306 and 184 points respectively; Captain Barnes and Plewes were the outstanding defensive players. Little, with 171 points, was an all-around player while Pond was the big man under the backboards.

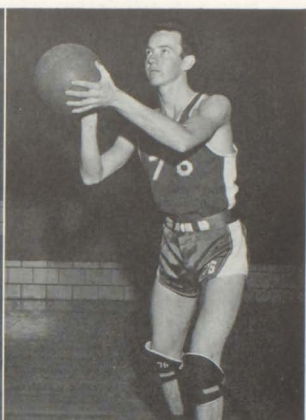

Ben Umphlette and Melvin Poulson capably managed this year's team with Jimmy Williams assisting.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolic of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
